Sir:

In response to the Office Action mailed April 27, 2009, Applicant elects Species 1, Sub-Species A, corresponding to claims 29, 66-70, 74 and 76, and Fig. 20, without traverse.

Applicants respectfully submit that cancelled claim 119 (which depended on claim 91) also corresponds to the elected Species 1, Sub-Species A. Insofar as claims 29, 66-70, 74 and 76 corresponding to Fig. 20 are concerned, it is believed that previously cancelled claim 119 also corresponds to Fig. 20 and should remain in the same application. Thus, Applicants hereby submit content of previously cancelled claim 119 (incorporating features of corresponding independent claim 91) as claim 136. See attached Amendment adding new claim 136.

If there are any questions regarding this matter, the Examiner is respectfully requested to contact the undersigned.

Respectfully submitted,

STAAS & HALSEY LLP
